Welcome to the final edition of the Kid's Fishing Hole News for 2009. What a tremendous year it's been! Cairns Libraries has hosted some wonderful children's events this year from family fun days with the Bopstars to free performances for children by the Queensland Theatre Company. It's been a lot of fun and we hope to continue presenting many more fun, free and fabulous events again next year!

And the winners are....

The Children's Book Council of Australia have cast their votes for the best Australian children's books of 2008/9. Keep an eye out for these winning titles:

To read about all of the books nominated for this year's awards visit the Youth and Teens page for the CBCA awards list at www.cairnslibrary.com.au.

Summer Reading Club 2009

Grab your passports and take a trip these summer school holidays with the 2009/10 Summer Reading Club! The theme this year is *Around the World: North South East West* which encompasses many themes inherent in classic and contemporary children's literature. Free Summer Reading Club showbags containing lots of fun activities will be available from all Cairns Libraries branches in January. Kids can return their Reading Log Passport at each milestone to receive a special Summer Reading Club gift! To play online games, download more activities, find plenty of great books lists, and participate in the major online events with popular Australian children's authors, visit the State Library of Queensland's official Summer Reading Club website at www.summerreadingclub.slq.qld.gov.au.

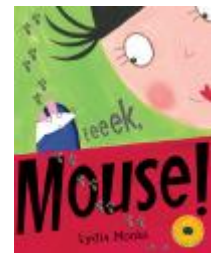

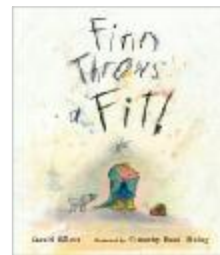

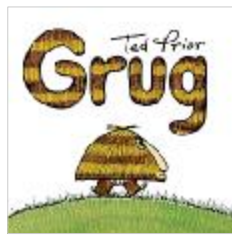

Baby Rhyme Time Grows!

Baby Rhyme Time has been so successful at we've had to add two more sessions to keep up with all of the new babies! The additional sessions will be held at Earlville Library on the first Tuesday of the month, and Stratford Library on the third Thursday of the Month. For a listing of all children's events, including Baby Rhyme Time sessions, visit our online calendar at www.cairnslibrary.com.au.
